

[Type 3B Chemical Isolation Gown]

Protection against numerous concentrated inorganic chemicals and biohazards. Protective seams, stitched and over-taped with barrier-tape, providing barrier performance equal to that of the fabric.

Knitted cuff for better comfort. Openness in the back closure for increased ergonomics of the wearer - the hazard and uncomfortable feeling of slipping is avoided while sitting in front of the bench.

Fabric: Multi-layer laminated fabric

Seam Type: Stitched & taped seams

Style: One piece opening at back, ties at waist and back neck, knitted cuffs

Standard:

EN 14605:2005+A1:2009 Type PB-3B

Protective performance against spray and infective agents
